Saree

A vibrant and detailed still life composition showcasing a variety of natural ingredients and herbal remedies. The scene is set on a rustic, light-colored wooden surface. In the foreground, a large, bright pink rose is partially visible on the left. Next to it is a sliced cucumber, revealing its green flesh and seeds. A small wooden bowl contains a bright yellow powder, likely turmeric. Another bowl holds a dark brown, granular substance. A small wooden spoon rests on the surface, holding a green, leafy herb. Several glass bottles of different shapes and sizes are scattered throughout, containing liquids of various colors: a pink liquid, a clear liquid, a yellow liquid, and a dark brown liquid. Some bottles have cork stoppers, while others have droppers. Fresh green herbs, including a large, serrated leaf (possibly a cannabis leaf) and a sprig of dill, are prominently displayed. A small white jar with a green lid is also visible. In the background, more herbs and a small bowl of yellow powder are visible. The overall atmosphere is one of natural health and wellness, with a warm, golden light illuminating the scene.
